

South Harrison Township Strategic Plan Goals

Goal #1

Design an academic program that challenges all students to succeed at their highest potential academically.

Objective 1: Strengthen critical thinking skills.

Objective 2: Support teachers' abilities to differentiate instruction in the classroom.

Objective 3: attainment of resources that reflect academic objectives.

Objective 4: Continued development of parent and teacher understanding of standards-based instruction and evaluation.

Objective 5: Use of technology as a tool to build students' capacities to navigate a digital society.

Goal #2

To support the social, emotional, intellectual and overall well-being of students to enable them to maintain a healthy balance in their lives and prepare them for the 21st century.

Objective 1: Create a sense of community, belonging and acceptance in the school.

Objective 2: Continue to provide opportunities for participation in STEAM activities.

Objective 3: Provide programs that support emotional and mental health of students.

Goal #3

Cultivate a rich partnership with all stakeholders that manifests an inclusive, engaged community.

Objective 1: Increase and improve direct communications to all community members/stakeholders.

Objective 2: Identify barriers to communication.

Objective 3: Target non-parent community members with more opportunities for involvement.

Objective 4: Provide opportunities for greater family involvement.

Objective 5: Strengthen partnerships with HAS, teachers, parents and non-parents.

Goal #4

Maintain up to date technological resources.

Objective 1: Increase internal and external security in our school.

Objective 2: Implement home access for students and parents for academics.

Objective 3: Continue technology articulation with Kingsway Regional School District.

Goal #5

Determine the best way to allocate financial resources.

Objective 1: Secure alternate revenue sources.

Objective 2: Maintain community involvement in fund raising activities.

Objective 3: Invest in facility upgrades that generate energy and cost efficiency.

Suggested – Combine goals #4 and #5 and re-wording

Maintain a safe, secure and efficient facility and infrastructure that promotes student learning.

Objective 1: Increase internal and external security in our school.

Objective 2: *Explore* home access for students and parents for academics.

Objective 3: Continue technology articulation with Kingsway Regional School District.

Objective 3: Invest in facility upgrades that generate energy and cost efficiency.
