

Dear South Harrison Families,

We regret to inform you that due to poor participation in the travel raffle we will need to cancel Winter Wonderland. Although many people have offered ideas and services to help salvage our budget for Winter Wonderland, the deficit remains too great. Below are the reasons why we are unable to successfully pull off another fundraiser in the short time span that we have between now and the Winter Wonderland date:

- We would need \$9,000 to produce a successful Winter Wonderland
- Our HSA board volunteers personal time constraints
 - We all work full time and have children like you
- Fall break
- Other planned HSA events throughout the year
- Not competing with other activities already scheduled in our community
- There has never been another fundraiser other than the raffle that has raised anywhere near the amount \$9,000

We would like to thank those of you that continuously support HSA and look forward to your participation in Barnes and Noble Night, Lip Sync, and upcoming fundraisers necessary to complete our the 19/20 school year budget.

Sincerely,

The HSA Board
