Hello Roadrunner families!

This year South Harrison Elementary will have a virtual art show with the help of Artsonia! It is a secure site used by over 50,000 schools nationwide, where student art can be displayed for parents and family members to see. The instructions for logging onto Artsonia and creating an account are included on the next page. You will receive a special username for your child that you can share with family members to view your child's artwork. You can even get it printed on various products, such as shirts, mugs, cutting boards, aprons, quilt squares, ornaments, keychains, and so much more! All through the month of May, any funds raised through Artsonia will be going towards a special art project for Miss Menold's Garden!

For more information and to see South Harrison's gallery from years past, please visit their site here: [Artsonia Art Gallery - South Harrison Elementary School!](#)

More information about activities during our virtual art show will be coming soon!

Thank you!

## Welcome, Parents!

Artsonia is the **World's Largest Student Art Museum**. Yet it's so much more than that! It's a free, safe, educational program designed to connect parents and families with their child's creative activities at school.

Friends and family can leave positive comments about your child's artwork. Review and approve these comments so they can be posted on your child's gallery.

### Get Feedback from the Teacher

Teachers may enter feedback or assessment of your child's artwork that is privately viewable by parents.

You may purchase high-quality [custom keepsakes](#) with your child's art. The school arts program receives 20% of your purchase towards art materials and other supplies.

# Artsonia Class Portal

PARENTS – Our school is offering a way for students to submit their artwork to their Artsonia portfolio from home.

Your child can use iPads or similar devices (or even a browser) to photograph their own artwork, make edits and enter artist statements - all on their own! The artwork will be reviewed by the art teacher prior to being published.

**Download the Artsonia 6.0 app** in the Apple or Android app store, select the "Students" option, then scan the Access Code below (or manually type in the code). You can also go to [www.artsonia.com/class](http://www.artsonia.com/class) on a browser if you don't have a compatible device.
