

February 12th, 2020

Hello, South Harrison Families!

Thank you so much for everything you have been doing this year! I know everyone has had to adjust a lot this year. Art has moved to the kitchen table and on the screen! (Hopefully it hasn't gotten too messy!)

On March 12th, I will be asking you to return the materials bags and all of the borrowed supplies. Please keep an eye on the materials that need to be returned, so that they don't get lost. If the markers are dried out or the crayons are broken, please still send them back, so I know what will need to be reordered for next year. If a material labeled "return" got lost, I would really appreciate it, if they could be replaced.

If you haven't received a materials bag for trimester 2 and would like to, please sign this paper and return it by February 17th. Please allow 2 school days for them to be made and ready for pick up.

Thank you!

Ms. Keane

Art Teacher

By signing this slip, I am requesting to borrow materials from South Harrison Elementary's art room, with the understanding that all materials marked "return" must be brought back to school by the date on the bag or I might not be eligible for receiving the next set of materials.
