2021-2022 Kindergarten Parents,

In reviewing our database for the 2021-2022 kindergarten school year, your name is listed as having a child who will be entering kindergarten in September.

This is an important notice that our virtual **Kindergarten Information Night** is scheduled for **Thursday, April 15 at 6:30 pm**. This night will provide you with important information about the district's kindergarten program as well as information about our **Kindergarten screening process**. The screening is scheduled for **Tuesday, May 4, Wednesday, May 5, and Thursday, May 6**.

In order to better establish an accurate account of the number of kindergarten students to expect, we are asking you to call the school at 856 769-0855, extension 1103, to confirm that you will be registering your child with us in April for enrollment in September. More information will be sent to you if you confirm your child attending South Harrison in the fall.

After contacting the school, you may pre-register your child for the 2021-2022 school year by going to our school's website. Please keep in mind that after you complete the online registration that there are items you will need to turn into the school to finalize your registration. You can find a list of the required documents on the website.

We appreciate your consideration of this request.
