Dear South Harrison Families:

Each year our school community has an opportunity to honor one teacher who is recognized as the **Teacher of the Year** for the purpose of acknowledging teachers who demonstrate outstanding performance.

We are now beginning the selection process for the 2019-20 South Harrison Teacher of the Year. I welcome nominations from parents who currently have children attending South Harrison Elementary School. If you would like to nominate a teacher for this distinguished award, you may complete the electronic survey: <http://tinyurl.com/SHESTeacheroftheYear>; or submit a signed letter in a sealed envelope directed to my attention and marked confidential. Please keep in mind that the following past Teachers of the Year cannot be nominated: Jennifer Smith, Lisa Henjes, Amanda Grabas, and Sue Kenderdine. Nominations must be received before 3:00 pm on Monday, November 18 and please make sure to provide supporting comments.

Upon closing of the staff and community nominations, I will be meeting with the past Teachers of the Year listed above, one board member, and one parent to narrow the pool of nominations to three candidates. From the list of three, the administrative team will select one Teacher of the Year.

Thank you for your continued support in promoting academic excellence at South Harrison Elementary School.

Sincerely,

Dr. Corinne Sannino

Principal
